UCAS

Meeting for all students completing applications in Room 32 at 1:55 p.m. on Thursday October 20th.

Fire Drill

Thanks to all for your co-operation last Monday with the Fire Drill. That drill is the one drill when all buildings are vacated simultaneously. The timely manner in assembling on the Astro was commendable.

Please note the following:

On hearing the Fire Alarm, leave the classroom immediately; do not stop to bring books or other personal items.

Go directly to the Astro to your nominated Assembly point.

Leave the Astro when instructed to do so by your teacher, leaving through the designated gate.

Again many thanks on a good drill.

Music Leave Out

The present music leave-out system will end on the Friday of the mid-term (October 28th). A new one will begin after mid-term and EVERYONE wanting to apply for leave-out to practise will need to see Mr. Sexton. The facilities are under great pressure and unfortunately the times will all have to be revised.

Report Cards

Students on Report Cards should report to the front office after Assembly
